**PLEADING CYCLE ESTABLISHED FOR COMMENTS
ON SBC'S PETITION FOR FORBEARANCE
FROM APPLICATION OF SECTION 271**

WC Docket No. 03-235

Comments Due: December 2, 2003

Reply Comments Due: December 12, 2003

On November 6, 2003, SBC Communications Inc. (SBC) filed a petition pursuant to section 10 of the Communications Act of 1934, as amended,¹ requesting that the Commission forbear from applying the terms of section 271(c)(2)(B) to the extent, if any, those provisions impose unbundling obligations on SBC that this Commission has determined should not be imposed on incumbent LECs pursuant to section 251.² In its Petition, SBC argues that the Commission has consistently held that the scope of the unbundling obligations under the section 271 competitive checklist is no more extensive than the scope of those same obligations under section 251.³ If the Commission declines to grant relief on that point, SBC's Petition requests that the Commission at a minimum should forbear from applying those section 271 unbundling obligations to the broadband network elements that the Commission already has determined need not be unbundled under section 251.⁴

This Public Notice establishes certain procedural requirements relating to consideration of SBC's Petition.
